Enterprise Travel & Business Expense Policy

1. Travel Authorization & Booking

All business-related travel must receive prior managerial authorization through the travel management portal. Flights exceeding 6 hours in continuous travel time are eligible for premium economy booking. Economy class is standard for all domestic travel under 6 hours.

2. Lodging & Per Diem Allowances

- **Domestic Hotel Cap**: Nightly lodging cap of $250/night in standard metropolitan areas, or up to $350/night in designated high-cost tiers (New York, San Francisco, London, Tokyo).

- **Daily Meal Per Diem**: $85 per travel day ($20 breakfast, $25 lunch, $40 dinner). No individual receipts required if within the per diem standard rate.

- **Ground Transportation**: Ride-sharing services (Uber/Lyft standard ride) and public transit are preferred over rental cars unless travel involves multiple rural client sites.

3. Client Entertainment Guidelines

Business meals with prospective clients or partners require detailed documentation of attendees and business discussion topic. Maximum expenditure is $125 per attendee including taxes and gratuity (maximum 20%).
